SEEKING SERVICE PROVIDERS, EMPLOYERS, PEOPLE LIVING WITH STROKE AND RESEARCHERS TO PARTICIPATE IN A RESEARCH STUDY ON STROKE AND RETURN TO WORK

Study title: Co-creating a research agenda to support return-to-work after stroke

We are recruiting **service providers, employers, people living with stroke and researchers** to help identify research priorities related to return to work after stroke.

Who can join?

- Service providers (e.g., vocational therapists, social workers)
- Employers (any sector)
- People living with stroke
- Researchers

What would you do?

- Complete a short demographics form
- You will take part in two 2-hour focus groups. The first is online, and you may choose to attend the second either online or in person.

You will receive a $80 gift card after each focus group as a thank you for your time.

Interested in participating or have questions?
