

Help Improve Primary Care for Adults with Developmental Disabilities

You are invited to take part in a research study

WE NEED YOUR VOICE

- **Primary care providers** (e.g., family doctor, nurse practitioner, allied health professional)
 - Who are caring for **adults with developmental disabilities** (e.g., autism, Down syndrome, intellectual disability, FASD)

WHAT WOULD I DO IN THE STUDY?

- Participate in an in-person or virtual interview (20-30 minutes) or focus group (30-60 minutes)

HOW CAN I GET INVOLVED?

- If you are interested in the study, please contact us using the information below

You will receive a gift card for participating
