2026 DATA AND QUALITY IMPROVEMENT PROFESSIONAL LEARNING EVENT

LOCATION: Sheraton Parkway Toronto North Hotel & Suites (Meeting Room: Richmond CD)
600 Highway 7, Richmond Hill, Ontario, Canada, L4B 1B2

DATE: Wednesday October 28, 2026 **TIME:** 8:45 – 4:30PM

DETAILS:

This year we are combining the DMC and Quality Improvement Professional Learning Events into a one-day session.

Staff involved with data or quality improvement will find this day exciting as it utilizes different formats to showcase the importance of data. Come and explore ways to use your data to inform improvement efforts and connect with peers from across the province.

This event is for Alliance members only. It will be especially relevant for data management professionals, program managers, quality managers, and anyone else whose role includes data management or QI.
