

ARE YOU A HARM REDUCTION WORKER?

Seeking participants for a participatory arts based-action study exploring the impacts of client loss (specifically drug-related losses) on harm reduction workers.

What's Next?

1. Determine if you are eligible/provide information about study
2. Fill out consent form
3. Complete demographic questionnaire
4. Engage in first stage of group interviews supporting design of safety protocols for study

Study participants will be **compensated** for involvement in study

Are you eligible?

- Work as a harm reduction worker in the community/hospital setting
- Be able to comfortably share your experiences of loss
- Experienced a drug-related death of a client
- Outside of Toronto
- 18 years or older
