Daisy's

Dear Daisy
Your petals caress the wind.
you bend but do not break.
As fragile as you appear, your strengths
expose your potential.
Breaking through the layers of crap, you
blossom between the weathered crack.
You grow where nothing is expected to
survive.
Observed as a weed in this crass world, you
are determined to flower.
I think you are beautiful and will someday
take your rightful place standing strong
amongst the flowers.
Nicole
