

Are you a senior worried about the cost of dental care?

You're not alone

- Over 2 million people in Ontario don't visit a dentist because they can't afford it.
- During the election, Premier Doug Ford promised to bring in **Dental Care for Low-Income Seniors**.
- We need **YOUR** help to make sure the Ford government delivers on its promise.

What can you do?

- **Call, email or visit your MPP if he/she is a PC member of the Ford government.** To find your MPP, go to <https://voterinformationservice.elections.on.ca/en/election/search>, then enter your postal code to get their contact information.
- **Contact Premier Ford's office directly** at premier@ontario.ca or 416-325-1941
- OR, **call Health Minister Christine Elliott** at 1-800-211-1881

What can you say?

- **Tell your story:** name, age, the community where you live. Explain how it affects you when you can't afford dental care. Don't be shy.
- **Ask:** "When will your government keep your promise of Dental Care for Low-Income Seniors? We need dental care now."
